US LETTER + A4

This Book Belongs To

How to play

Every puzzle hides ten words in the grid. Words read left to right or top to bottom, never backwards and never diagonally. Find each word, draw a line through it, and cross it off the list. The letters are big on purpose, and every answer is at the back.

R	I	L	E	U	A
D	X	D	D	A	D
O	E	R	A	I	N
B	J	H	S	O	A
N	S	U	N	A	I
S	E	E	D	N	N

Find: SUN RAIN SEED

RAIN is marked for you.

Before you begin

Printing

- Use the file for your paper: US Letter in the US and Canada, A4 almost everywhere else.
- In the print dialog choose 100% or “Actual size” — not “Fit to page” — so the letters stay 30-point.
- Print in black and white on plain paper. Normal quality is fine: the grids are crisp text, not pictures.
- Print single-sided, so each puzzle lies flat on its own sheet and nothing shows through from the back.
- Print only what you want: the puzzles come first, the solutions at the back.
- Need it bigger still? Print on Tabloid or A3 paper with “Fit to page” for letters nearly half as large again.
